Actuality

Life in the Real World

By C. W. Adams

ISBN # 141962119X. Paperback. 440 pp. Sacred Earth. January 2006. $17.95.

Each of us persistently seeks fulfillment. This is because we experience an emptiness which cannot seem to be filled with the various physical things we try to consume. No matter how wealthy, famous or surrounded with people we might be, our emptiness within persists.

This constant emptiness indicates we have a deeper need beyond this physical existence. Many of us, after realizing material consumption doesn't fulfill us, will begin a search for the Truth. During this search we may be presented with various philosophical teachings or scientific theories which do not make sense to us.

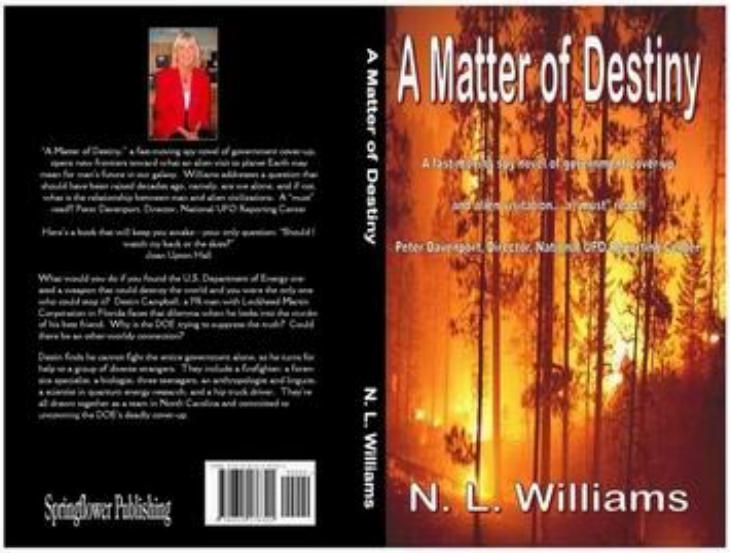

Why shouldn't the Truth make practical sense to us? Why should we not be able to directly and easily apply a particular philosophy or theory regarding our existence to the everyday realities that surround us each moment? Why should the teachings we accept not answer the basic questions we have concerning the problems and dilemmas the world around us presents on a day-to-day basis?

This collection of essays by C. W. Adams delivers realistic and logical answers with refreshing scientific grounding to our probing questions about life. We are all looking for truth. Real Truth. This collection of essays provides clear answers descended through a long line of masters over thousands of years. Logical explanations of our identity, origin and purpose for existence using common occurrences, everyday observations and scientific data will give the sincere reader practical answers to the urgent questions of: WHO AM I REALLY? WHAT IS MY REAL PURPOSE FOR EXISTING? WHO IS GOD? *Actuality* uncovers the essential elements for understanding our true nature and reason for existence. Once establishing these clear answers, *Actuality* goes deeper, offering the reader a clear pathway towards transcendental realization.

A Matter of Destiny

By Nancy Williams

ISBN # 978-0-61517-632-1. Paperback. 269 pp. Springflower Publishing. April 2007. $17.99.

What would you do if you found that the U.S. Department of Energy had created a weapon that could destroy the world—and you were the only one who could stop it? Destin Campbell, a P.R. man with Lockheed-Martin Corp. in Florida, faces that dilemma when he looks into the murder of his best friend. Why is the DOE trying to suppress the truth? Could there be an otherworldly connection? Destin finds he cannot fight the entire government alone, so he turns for help to a diverse group of strangers. They include a firefighter, a forensics specialist, a biologist, three teenagers, an anthropologist/linguist, a scientist in quantum energy research, and a hip truck driver. They're all drawn together as a team in North Carolina and committed to uncovering the DOE's deadly cover-up.

A fast-moving spy novel, *A Matter of Destiny* breaks new ground in its exploration of what an alien visit to planet Earth may mean for humankind's future in our galaxy. Williams addresses a question that should have been raised decades ago: Are we alone, and if not, what is the relationship between man and alien civilizations?

NAKOA'S WOMAN

By Gayle Rogers

ISBN: 0-9723078-0-X. Paperback. 5.5x8.5. 352 pp. $11.95. October 2002. Sojourner Publishers.

Swept into a brutal alien world, a captive white woman discovers a way of being she never imagined.

In *Nakoa's Woman*, Gayle Rogers has skillfully created a novel that is both a stirring exploration of the world of the American Indian and an epic love story. It is the tale of a beautiful white girl, Maria, captured by the Blackfoot Indian warrior, Nakoa, and of their stormy relationship as she struggles against her growing love for her captor, and he struggles against the customs of his people to keep her. Years before she had appeared to him in a vision and he now cannot force himself to renounce her in the flesh.

It is also the story of two others in the Indian community whose desire to keep Maria and Nakoa apart is so intense that they are willing even to murder to succeed. And it is the tale of a gentle, shy Indian girl, Anatsa, secretly in love with a handsome young brave, and ignored by him until Maria helps their love into being. A large cast of vivid characters surrounds the young lovers as they work out their fates. In a clash of will and cultures, Maria rejects the role of second wife and seeks escape through the Blackfoot burial grounds, unleashing a chain of events which will threaten all concerned.

"Spellbinding, violent, mystical and wise...a tale told lyrically, naturally and beautifully." - Publishers Weekly.

"A fascinating portrayal of physical and spiritual love." - Library Journal.

"As you walk with Maria and Nakoa through this journey you will become engrossed in their lives and will be able to feel their emotions." - Luana Kennedy, Marysville, WA. AMAZON.COM.

MY NAME WAS MARY

By Gayle Rogers

ISBN: 0-9723078-2-6. 387 pp. Casebound. 6 x 9. October 2003. Sojourner Publishers. $25.95.

In what is virtually a channeled narrative, Mary Lincoln talks about herself, contradicting the lies that Billy Herndon, Abraham Lincoln's first biographer, spread about her.

Abraham Lincoln fell deeply in love with Mary Todd, and—as he was quoted as saying many times—never fell out. Mary was from a wealthy family, and was scorned by her wealthy sisters for marrying a poor man deeply in debt and with no prospects. Abraham and Mary were initially separated by Lincoln's fear of giving Mary a life of hardship she could not bear. But their love for each other did not allow them to remain apart.

A deeply revered part of the American experience, Lincoln was a tender-hearted man who felt great pain at the vicious attacks his wife was forced to endure. A native of Lexington, KY, Mary was hated in the South for being the wife of Abraham Lincoln and hated in the North for being a Southerner; thus she is one of the most maligned figures in American history. Lincoln's exalted status was such that he could rise above the vicious attacks on his wife; Mary, however, was devastated for a time by these attacks which she found almost unbearable.

Without knowing the story of Mary Lincoln, we do not know the story of Abraham Lincoln the man. Lincoln was a tender lover, husband and father. He was an intensely human man who forgot to bank the coals for the morning fire, forgot to come home at the proper time for meals, and usually read with his feet on a table, or lying on the floor with his feet up on a chair—a man who spoiled his four sons by denying them nothing. Always, he cherished the woman who had stolen his heart away. Abraham Lincoln had had "Love is eternal" inscribed on Mary Lincoln's wedding ring. For Abraham and Mary, it is.

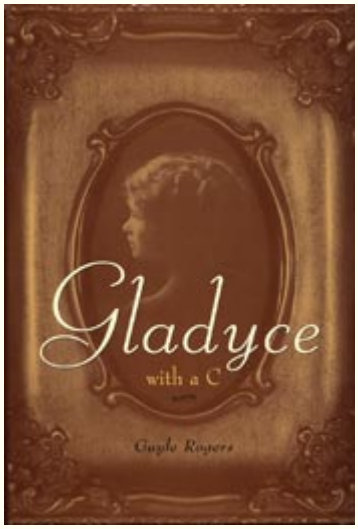

Now is the time to let Mary speak out honestly for herself.

About the Author: A student of U.S. history for most of her life, Gayle Rogers was a school teacher for 28 years. She has always had a passion for historical research and for changing our perceptions about people whom she finds have been maligned by history. Gayle Rogers believes that all of creation is centered in love—that there is a sacred circle of life and that the love we feel for each other returns to our Creator tenfold. She believes that the soul carries within it the energy and the joy of God, and that we have within us an eternal light that is ever searching for its own growth and the rapture of its own divinity.

Gladyce with a C

By Gayle Rogers

ISBN: 1-5719719-4-7. 308 pp. Casebound. 6 x 9. October 2002. Sojourner Publishers. $25.95.

Gladyce with a "C" wants total control of her life so that she can make it perfect—even to changing the spelling of her name from an "s" to a "c." The action of *Gladyce with a C* unfolds in 1913-1955. In the person of Mylayna and Nathaniel, it continues the Covington/Horton saga of *Shadows to the Sun* and the love story of Nakoa and Maria in *Nakoa's Woman*. Mylayna and Nathaniel meet, fall in love—and know that they have loved before, sensing their past life as a bittersweet melody deeply cherished but not quite remembered. Maria of *Nakoa's Woman* never accepted herself, and appears only as a ghost in *Gladyce with a C;* her new iincarnation, Mylayna, does achieve self-acceptance. Mylayna and Nathaniel pass through psychic and spiritual adventures that reveal the truth that our minds are merely the servants of our soul and the real perfection of a life consists in accepting it in its totality.

"This is a story you will ponder forever. A real classic." - Jean Carson, Arlington, WA, August 2, 2000.

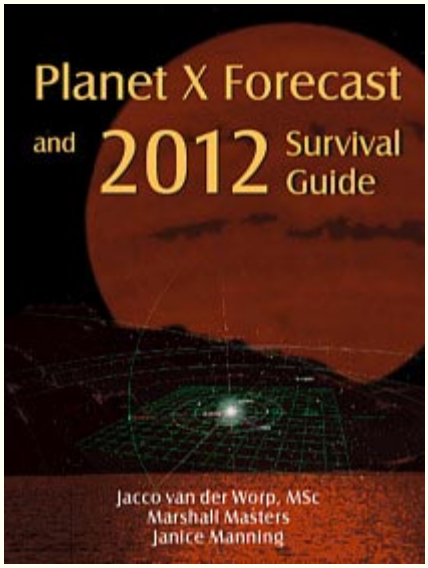

"I've read Gladyce with a C *and I have to say that it is incredible. The author's writing creates a world that is both vivid and poetic. It is a metaphysical and mystical love story that follows the lives of two young lovers who were destined to be together long before they ever met. Years ago, I read the author's best selling* Nakoa's Woman. Gladyce with a C *is the continuation of Nakoa & Maria's love story, but in a new incarnation. Gayle Rogers is an awesome writer. When I read her stories I become a part of them."* - Cecilia <eyer@anacortes.net>, Nov. 19, 2001.

High Way From Hell

Using Emotion to Fan the Fire of Enlightenment

By Moonstone Star White

ISBN: 978-0979279713 Paperback 268 pp. Feb. 2008 Spirit Wind $14.95.

Are you ready for some powerful ideas that may revolutionize the way you think about and experience life? Ideas that will take you further than just knowing about "the secret" and the "law of attraction?"

In *High Way From Hell: Using Emotion to Fan the Fire of Enlightenment*, a hypnotherapist uses ideas sourcing from stream-of-consciousness writing meditations to reveal the role of judgments in causing the subconscious to attract unwanted experience and then cause the feeling of being stuck. With a vision both intimately personal and significantly global, Moonstone Star White shows how the tendency to make judgments diminishes happiness by shutting down intuition and removing our ability to be fully present in the moment. This cuts us off from the guidance of a higher self awareness.

Offering both satisfaction and hope, this mind-expanding read is engaging for seekers at any level. One thing is for certain: You will not look at the world in quite the same way after reading it.

"If you are tired of being sick and tired, this book will renew the spirit, free the heart and heal the body." - Gary Salinger, author, *Body Insight: Integrative Neuromuscular Therapy*, Director, Healing Arts Institute, Fort Collins, CO.

"This book dusted off the cobwebs from my mind and gave me new insight and enlightenment to help keep me on a true path to freedom." - Peter S. Carlson, media producer; co-author with John Bradshaw, *Surviving Divorce.*

"Thoughtful and thought-provoking, inspired and inspiring, deftly articulate, intellectually engaging and spiritually rewarding." - Midwest Book Review.

Hidden Secrets of "Many, But One"

Dr. Donald Ryles Ph.D, M.Msc., C.H.

ISBN: 1435702611. Paperback. 216 pp. Dec. 2007. Lulu Press. $15.29.

After a lifetime of unusual, inexplicable and often terrifying supernatural contacts, a book was spiritually sent to serve as a guide to a better life for us all. It revealed its true purpose and importance when the author was spiritually guided to discover that seventeen warnings, messages, and connections to 9-11, the war that followed, and events beyond that—connections to the very flight numbers of the planes used in the attacks, and a vivid description of the feelings of the world on 9-11-2001—were numerologically encoded in its pages.

That book is *Many, But One* and is/was FULLY COPYRIGHTED FOUR YEARS BEFORE THE EVENTS!!!

Hidden Secrets of "Many, But One" will take you on an unforgettable two-part journey: from a journey through the author's often terror-filled early years spent in a haunted house, through many unexplained paranormal events and a touching and inspiring story of life after death, to the transmission of *Many, But One* with its seventeen findings. A comprehensive section explains each finding in detail, as well as demonstrating from the point of view of numerology the important and uncanny role the number 11 has played in the lives of both the author and Osama bin Laden, and throughout history.

A complete and unchanged version of *Many, But One* is presented. This spiritually guided, lyrically based path of evident and encoded messages will take you on a memorable journey of self-discovery through many of life's challenges, feelings, and difficulties.

Hidden Secrets of "Many, But One" is an excellent book for those who enjoy true "ghost stories," for those interested in the paranormal and the spiritual, and especially for those seeking a journey of self-discovery. It is a most unique and possibly life-changing gift.

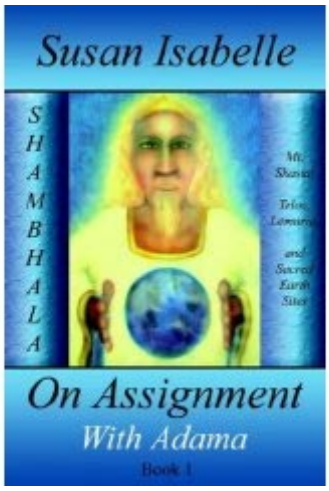

"Kept this reviewer riveted…If you are looking for a work that is both provocative as well as entertaining, look no further." - Richard Fuller, *Metaphysical Reviews*.

ABOUT THE AUTHOR: Dr. Ryles has been a clairvoyant/clairaudient from an early age, when he had a unique contact with the paranormal. He has been known world-wide for many years. Among his most recent predictions are : The exact date on which the Iraq War would begin (given nine months in advance); information on Osama bin Laden's actions; and, most recently, the exact dates of important developments between the United States and Iran (these latter dates were given over a year in advance).

THE SOVEREIGN SOUL

Sufism: A Path for Today

By Phillip Gowins

Left: U.S. Edition.
Above: South Asia Edition,
Readworthy, New Delhi.

ISBN 978-1-892138-10-1. Paperback. Preface. 224 pp. July 2006. New Paradigm Books. $16.95. Volume Two in THE NEWTON SERIES: Ancient Wisdom in the Modern World.

The aim of the 1,500-year-old spiritual tradition of Sufism, it has been said, is "the elimination of all veils between man and God." In June 2004, Sufi Master Pir Vilayat Inayat Khan died peacefully at his home in Paris, France. As leader of the Sufi Order International which first brought Sufism to the West in 1910, Pir Vilayat had spent more than 40 years teaching this and other truths of Sufism to audiences in the U.S., Europe and Asia.

For 25 years, Sufi teacher Phillip Gowins was able to take advantage of the many visits of Pir Vilayat to the New York area. Thus *The Sovereign Soul: Sufism: A Path for Today* is a homage to the Master, providing as it does an introduction to the ancient stream of wisdom embodied by Sufism, but present in other religions and humanistic philosophies as well, that Pir Vilayat was able to impart to students around the world.

The Sovereign Soul is also a description, always concrete, often humorous, of the mystical path that Phillip Gowins himself has pursued over the years. With many examples and exercises, he shows us how we can practice the spiritual life ourselves. The path he lays out is strewn with pitfalls and pleasures alike. He tells us how we can avoid the one and enjoy the other, and attain to love and self-mastery in the increasingly complex 21st century.

"The Sovereign Soul…*provides a great introduction to the Sufi way of thinking and, while it certainly emphasizes the importance of having a personal teacher, its openness to all wisdom paths allows the practices described to be adapted by all on the path to wholeness.*" - *Living Traditions* Magazine.

"*Blending elements of personal memoir, history, and philosophy into its presentation,* The Sovereign Soul *discusses how to get oneself on the path, exercise spiritual creativity, embrace love and sacrifice, prepare oneself for death, and much more. An inspirational tour-de-force of the wisdom inherent within Sufi teachings." - Midwest Book Review.*

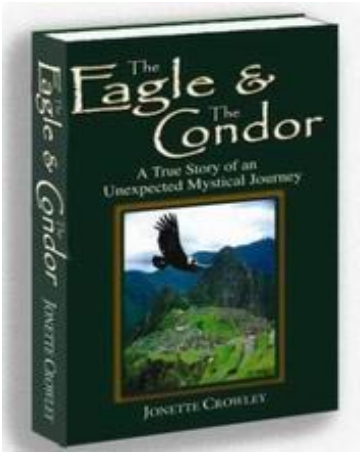

About the Author: Phillip Gowins was born in Minneapolis, MN, in 1945. He has been a cabinetmaker since 1980. In 1979 he met Pir Vilayat Inayat Khan and shortly thereafter was inducted into the Sufi Order in the West. A teacher in that order, he runs a Sufi Center at his home in Yonkers, N.Y. with his wife, Majida, who is also a teacher. Her daughter, and their grandchildren, live with them.

Imagine Machu Picchu—the splendor, the green. You're standing on the highest promontory, the Temple of the Sun, soaking it all in. All of a sudden, you're taken back to another time, when you are an Incan Priest or Priestess. As you fall through this wormhole in time, you're not alone. Simultaneously, the same thing is happening to another person in your group. Without words, together you perform a powerful initiation that you don't remember but you know. Imagine magical occurrences such as this happening again and again as you travel through Peru, some of the events linking back through your life to decades earlier, and millions of years before—to Lemuria. How would you make sense of all of it?

The Eagle & the Condor enfolds you in mystical richness as you walk with the author in a sacred forest in Australia, a trek to the Mount Everest base camp in the Himalayas, and to Machu Picchu in the Andes. She learns to communicate with spirit guides and take people with her on journeys of consciousness. Unexpectedly, she discovers that the Andean shaman she has hired is her soul's Twin Flame (and she didn't even believe in Twin Flames until the moment she set eyes on him!). They find themselves sharing a grass hut in the Amazon—and she is a happily married businesswoman. After all this, her guiding voice insisted that she write a book, and that she go back to Peru a second time—alone, for the solstice with the shaman.

WHAT THE CRITICS SAID ABOUT *CONVERSATIONS WITH ETERNITY*:

"Challenging, memorable, poetic utterances abound." - ***FOREWORD*.**

"Quite a surprise, quite a delight." - ***THE ANOMALIST* (Best Books of 1998).**

"Presented here is a whole 'nother side to the incredible mind that wrote *Les Misérables*....the book makes you feel like an ambitious yet misguided archeologist who accidentally unearths the ancient text that provides a spiritual Missing Link. Read it, love it, share it, talk about it; most of all, have fun with it. This is a total adventure, and I would give my eyeteeth to have been there!" - T.E., ***NAPRA REVIEW*.**

"Strangely alive, pregnant with a timely spiritual urgency." - ***FATE*.**

Victor Hugo's Conversations with the Spirit World covers a hitherto undocumented (except in part by *Conversations with Eternity*) portion of Victor Hugo's life: August 1853 to December 1855, when, while in political exile on Jersey Island in the English Channel, he participated in numerous "tapping-table" séances. Only with the publication in 2002 of the fourth and final volume of daughter Adèle Hugo's diary have all the details of this tumultuous period come to light. Not until 1923 were some of the transcripts of the seances published in France; not until 1970 did they appear in substantial number. *Victor Hugo's Conversations with the Spirit World* is the first translation into English of the transcripts of these always beautiful, often harrowing, seances; it is also the first introduction to the English-speaking world of lengthy portions of Adèle Hugo's richly detailed and beguiling diary.

Scholars differ as to the state of Hugo's mind during this period on Jersey Island. Some think he was suffering from a form of schizophrenia. Others believe he was in a state of grace, about to ascend to a higher level of awareness. The French intelligentsia is embarrassed by this flirtation with the spirit world of their greatest literary genius. Be that as it may, the transcripts, translated at length in this book, attest that well over 100 spirits manifested through the tapping tables to Victor Hugo, his family, and fellow political exiles. They included shades of the illustrious dead such as Shakespeare, Plato and Galileo, and spirits who said they'd never been alive, like the Shadow of the Sepulcher and Death. Aliens from Mercury and Jupiter spoke through the tables, with the Mercurians channeling drawings of themselves. Jesus, during three visits, condemned Druidism, faulted Christianity, and suggested a new religion with Hugo as its prophet. The spirit of Mozart, using a real piano, struggled to channel a symphony. Led by Balaam's Ass, the entities set forth a forbidding picture of our cosmos as a giant prison shaken by the winds of a metempsychosis entailing the passage of every soul through plants, animals and stones as well as through humanoids. They sought to tell Hugo and his friends how to cope with this unforgiving and fearsome universe.

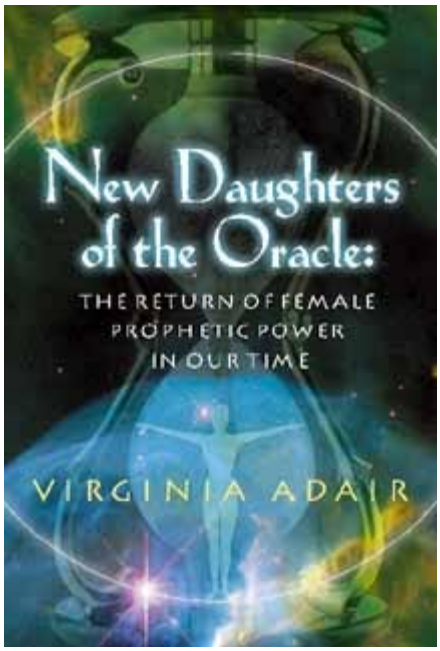

This is one part of the story. The Hugo family, around and about the seances, comes to life in the pages of this book. They live in a microcosm of seething political and personal turmoil. In *Victor Hugo's Conversations with the Spirit World*, lengthy and lively vignettes focus on each of the family members in turn, with all of their strengths, foibles and shining individualities. Hugo's three children, in their twenties, vital, talented, indomitable, have reluctantly followed their father into exile. They chafe against being cut off from their birthright of participation in the vibrant, ongoing life of France. There is Charles, the oldest, the reluctant medium, furious and rebellious under his apparent compliance; Adèle, the diarist, on the verge of schizophrenia, falling in love with the dangerous Lieutenant Pinson; François-Victor, troubled and scholarly but best able to take advantage of this exile, who settles into translating the plays of Shakespeare. The book follows their difficult days and nights while also focusing on the lives of other political exiles, including the Hungarians and especially their leader Count Sandor Teleki, who, valiant but war-weary, finds unexpected solace in the tapping tables. There is a midnight vignette of the French Emperor Napoléon III, Hugo's greatest enemy, wandering through the corridors of his palace. All this, and much more, is interwoven everywhere with the contents of the seances as well as being gathered into seven new chapters:

"Channeling the Enemy" (Napoléon III); "The United States of Europe: Was Victor Hugo a Grand Master of the Priory of Sion?"; "Victor Hugo and the Kabbala"; "When the Tapping Tables Spoke Hungarian: On Jersey with Veterans of Kossuth's War of Independence"; "Other Voices, Other Rooms: The Romance and Tragedy of Adèle Hugo"; "Victor Hugo, William Blake and James Merrill: Three Visionaries, One Vision"; Act One of a New Play Allegedly Channeled from William Shakespeare.

NEW DAUGHTERS OF THE ORACLE

The Return of Female Prophetic Power in Our Time

By Virginia Adair

ISBN 1892138034. Paper. Illustrated. 240 pp. New Paradigm. June 2001. $16.95.

In the mid-1990s, portrait painter / psychic researcher Virginia Adair traveled around the world interviewing 43 female psychics and healers chosen randomly from fifteen countries on four continents. Among the new daughters of the oracle she encountered were:

- **Elvia Chaquinga Zurita, of Mexico City**, who heals people's mental and physical ailments by telekinetically transferring their negative vibes into the whites of eggs;
- **Greta Woodrew, of Waynesville, N.C.**, who cured ballerina Virginia Rich Barnett in minutes of a knee injury so severe doctors told her she'd never dance or even exercise again. The associate director of Atlanta's Carl Radcliffe Dance Group was still dancing at age 55;
- **Daphne Possee, of Kent, England**, who foresaw the Zeebrugge, Belgium, ferry disaster and the Pan-Am Lockerbie air disaster, and foretold the dates of the 1991 Desert War against Saddam Hussein;
- **Sema Oztemir, of Istanbul, Turkey**, who foretold the emergency heart surgery of her country's Prime Minister;
- **Joy Herald, of Newark, N.J.**, who used her psychometric powers—the ability to sense events surrounding all those who have ever touched an object—to solve an insoluable murder case; **and 37 more.**

"[It]...is an adventure into the most fascinating and challenging areas of human perception [, suggesting] what lies ahead for all of us..." - Professor Hans Holzer, Ph.D., parapsychologist, author of 126 books including *Ghosts* and *Life Beyond Life.*

"What do a healer from Indonesia, a psychic from New Orleans, an oracle from Argentina, and a mystic from India have in common?....To me, this book stated clearly that all life is connected by an invisible web, and that humility, compassion, and an unselfish desire to assist others can bring forth near-miraculous abilities in anyone. Tomorrow will be a time when we will all use telepathy and become psychically advanced humans; those who work to develop these areas in themselves today are the vanguard. Let's go!" - Magical Blend, November, 2002.

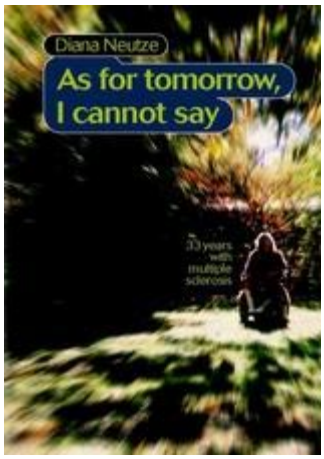

About the Author: Virginia Adair was born and raised in Atlanta, Georgia, and attended college in Virginia. For many years she pursued a career as a portrait painter. Her works hang in institutions and private collections in both America and Europe. She is also the author of *Eighteenth Century Pastel Portraits* (John Gifford Ltd., 1971). Virginia Adair passed away at her home in Atlanta on September 29, 2002 at the age of 82.

AS FOR TOMORROW, I CANNOT SAY

33 Years with Multiple Sclerosis

By Diana Neutze

A joint publication of New Paradigm Books and Hazard Press, New Zealand <http://www.hazard.co.nz>. ISBN 1877270172 (N.Z.). ISBN 1892138069 (U.S.). Paperback. 104 pp. February 2002 (U.S.). $13.95.

New Zealand poet Diana Neutze was in her late 20s, living in London with her husband and young son, when she discovered that she had multiple sclerosis. More than three decades later, wheelchair-bound and largely confined to her Christchurch home, she has told her remarkable story. Fiercely independent and passionately determined, she has fought the illness with every psychological and physical weapon in her armory. *As For Tomorrow, I Cannot Say* is a tribute to the power of the human spirit.

"I am recommending it to young doctors because it contains insights into managing multiple sclerosis that they will not find in their textbooks." - Jon Simcock, M.D., Neurological Foundation of New Zealand, Auckland.

***A MANIFESTO OF SPUNK**. "Neutze is a New Zealand poet and historian, who contracted MS in her 20s but who managed to teach at university, publish several books and travel overseas, in spite of continually having to adjust to physical degeneration. Given the unforgiving nature of her disease, Neutze's achievements show admirable strength of character, but read her book and you'll quickly realize that, even better, her outlook is suffused with humour (often directed at her predicament) and an abiding interest in other people. This humility lifts Neutze's book from being a mere chronicle of an illness into a manifesto of spunk. As a chronicle, it is successful enough. Indeed, it illuminates the inner and outer lives of the multiple sclerosis victim with sensitivity and perception. Reading it, I felt privileged to be admitted to her private world, and grateful for her insights into life with a severe disability. It is attractively written, witty, interesting, and sprinkled with poetry—which makes a successful book by anyone's standards. But the best thing about this little book is that 'victim' isn't part of Neutze's vocabulary. By the time you've finished it, you won't be surprised to learn that the manuscript was typed with only one finger in a single month!" - Wanganui Newspapers*, April 23, 2002.

"This book is a revelation and an inspiration. Also, it's often very funny.....[It] deserves to remain in print forever, as a classic resource. It's a revelation, because Diana Neutze describes her life so frankly." - Quality Web Content <http://www.webpagecontent.com>, August 2001.

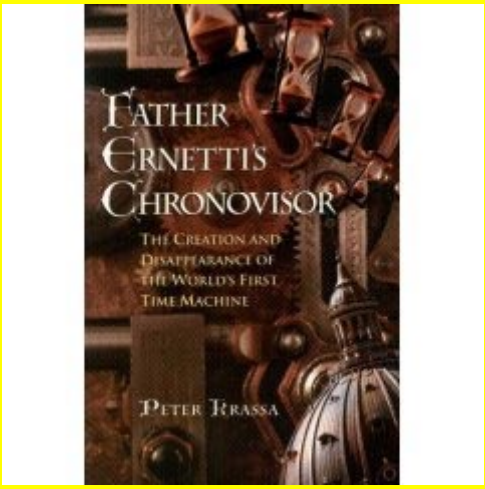

"A story of courage, determination and extraordinary creativity. It is also a literary story, written in clear lucid prose with poetical insights and humor." - Helen J. O'Neill, *TAKAHE* Literary Magazine.

FATHER ERNETTI'S CHRONOVISOR

The Creation and Disappearance of the World's First Time Machine

By Peter Krassa

ISBN # 1892138026. Paperback. 224 pp. 2000. New Paradigm Books. $16.95.

Father Pellegrino Maria Ernetti (1925-1994) was a Benedictine priest, scientist, and world-class authority on "archaic" music (pre-Christian to 10th century A.D.). He claimed to have yoked quantum physics to the occult arts to construct a time-machine—the chronovisor. Father Ernetti said he had traveled to Rome in 169 B.C. to watch a performance of a lost tragedy, *Thyestes*, by the father of Latin poetry, Quintus Ennius. He claimed to have used the chronovisor to watch Christ dying on the cross. Why would so distinguished a churchman have felt the need to fabricate such a story? Is the Vatican suppressing the truth about Father Ernetti's life and achievements? The reader may well find the answer in this book.

"Everything about the life of Father Pellegrino Ernetti suggests that this Italian Benedictine priest-scientist was a man of integrity and would not have created a hoax..." NEXUS, Aug.-Sept. 2000.

"Peter Krassa's book is a well-researched account of Ernetti's life and work that has garnered huge critical acclaim." - X-Factor.

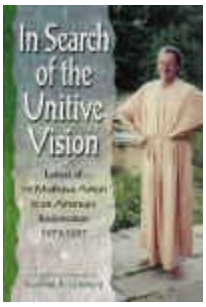

"It is a first-rate, challenging mystery-thriller, not fiction but—whatever the true explanation behind it all is—the 'real thing!'" - Berthold E. Schwarz, M.D. (Psych.), author, *UFO Dynamics.*

"A beautifully written literary-cum-fictional experiment, in the Umberto Eco tradition....This style, while not 'stream-of-consciousness' or collage, nevertheless juxtaposes many elements: an esoteric story, essays on occultism, historical elements and technological myths.....We are treated to a fascinating investigation threading through Edison, Edgar Cayce, Mesmer, and even Whitley Strieber!" - Colin Bennett, *Fortean Times.*

About the Author. Peter Krassa is a well-known journalist in Vienna, Austria, who has authored over 25 books, including works on Erich von Danigen, ancient astronauts, the Count of Saint-Germain, and many others.

In Search of the Unitive Vision

Letters of Sri Madhava Ashish to an American Businessman, 1978-1997

Compiled with a Commentary by Seymour B. Ginsburg

ISBN 1-892138-05-0. Paperback. 304 pp. Illustrated. 2001. New Paradigm Books. $19.95.

"If you want to pursue in a Western way the path that we follow here at Mirtola, you need to study and work with the Gurdjieffian teaching."

Thus did the guru Madhava Ashish, at their first meeting, invite American businessman Sy Ginsburg on a spiritual journey that would last 19 years (until the guru's death) and include both annual visits to Sri Madhava Ashish's Mirtola ashram, near Almora, in India's Himalayan foothills, and a lengthy correspondence. Along the way, the entrepreneur/author would be caught up not only in the teachings of G.I. Gurdjieff, but also in the search for the elusive unitive vision—the world viewed from the perspective of the greater self and not the personality.

In this remarkable spiritual document, the reader shares the search, increasingly catching glimpses of the unitive vision as the book draws toward a close that is also an opening out, into the vaster dimensions of the human mind.

In Search of the Unitive Vision contains a number of unique features:

1 It is a primer of esoteric literature. The decisive influences on Sri Madhava Ashish were Vaishnava, Theosophy, and G. I. Gurdjieff. In five essays reprinted in full in this book, the Scots-born, adoptive-Indian monk eloquently conveys the essence of Vaishnava. Moreover, in detailed narrative threads running through the book, Seymour Ginsburg provides basic information on G.I. Gurdjieff's Fourth Way and H.P. Blavatsky's Theosophy. All of this material, taken altogether, constitutes a rarely-seen, comprehensive, basic introduction to esoteric literature.

2 It is a uniquely brief but comprehensive Introduction to Gurdjieff. Mr. Ginsburg's account is developed in such a way that readers knowing nothing about Gurdjieff at the beginning of In Search of the Unitive Vision will know how to read with understanding *Beelzebub's Tales to His Grandson* by the time they've finished.

3 It casts new Light on Theosophy in India in the early 20th century in its accounts of the lives of theosophy leader Dr. G. N. Chakravarti and his wife Monica (prior to her becoming Sri Yashoda Mai) and the founding of Ashish's Mirtola ashram by Yashoda Mai and the Sri Krishna Prem.

"[Madhava Ashish was the] last English saint....came to India to repair spitfires, stayed to tame the inner fire." - This Week of India

"Ginsburg is able to create an atmosphere of the palpable presence of the master by providing quotations from his letters and articles." - Jagdish C. Nautiyal, Ph.D., Professor Emeritus, University of Toronto.

"[Ashish's] responses, always full of insight and sometimes wry humour, throw an impartial light on theosophy, the Gurdjieff Work and Indian spirituality." - Ravi Ravindra, Chair, Comp. Rel. Dept., Dalhousie University.

About the Author: Chicago-born Seymour Ginsburg was a successful American entrepreneur, the co-founder of Toys-'R-Us, before he met Sri Madhava Ashish. Also the author of several books uniquely on Gurdjieff, he lives in Delray Beach for one part of the year and Chicago for the other.
